IFR 2014

As you all know it is VEGA- klubben in Sweden that is host for the IFR meeting 2014. The activities will take place in Landskrona 14-19 th of July. Susie and Bo Fridh, V3181 have offered to take care of the local arrangements together with the board of the VEGA klubben. The board has the ultimate responsibility for the IFR meeting.

The name of the harbour is "Lundåkrahamnen" (in pos. 55 degree 51.55 N and 12 degree 51.13E). In this harbour is "Ostpirens Båtklubb (OBK) situated whose facilities we are making use of. There is space for about 40 Vegas, 12 at the 6 buoys and the rest alongside, the jetty is long, if more than 40 turn up (we hope so) a few has to moor outside each other. There is electricity and fresh water available at the jetty as well as equipment to empty holding tanks. There is also a crane you can climb to do any maintenance work on the rig. Fuel is available in the harbour.

The clubhouse will be used as secretariat as well as for dinners. There is a long veranda covered with a roof that can be used for dinners or you can choose to sit inside if the weather calls for that. A restaurant in the harbour has agreed to do the catering for us. The harbour is about 3 km from the City Center, a few bicycles can be borrowed from the restaurant.

Open water is reached in about 20 minutes where the sail races will take place. Normal Sea Rules, Right of Way, will be applied for the races.
